Venting Fastener

Low Profile Fastener

The Cardrona Window Fastener range has an innovative wedgeless design and with its concealed fixing, offers a more subtle aesthetic than other window fasteners.

The Cardrona Fastener range comes in a high profile design suitable for a full range of applications; a low profile design to suit situations where a sliding door would pass in front of a window; and in a venting design with its two opposing tongues. This unique feature provides safer ventilation and greater window control which is particularly advantageous in windy conditions.

Hinged Door Handle

The world's favourite lock

The Cardrona Hinged Door Handle combines superior functionality with contemporary styling. For your convenience, the Cardrona Hinged Door Handle is able to be keyed-alike with the other Cardrona hardware in your home so one key can be used for all locking doors.

Sliding Door Handle

The world's favourite lock

The Cardrona Sliding Door Handle offers an attractive pull option for sliding doors. With a large comfortable grip area, the Cardrona Sliding Door Handle is ergonomically designed for use with the Pinnacle Sliding Door Lock.

Bifold Handle

The world's favourite lock

The Cardrona Bifold Handle brings a stylish and contemporary look to complement your aluminium joinery. Its unique design hides fixing screws and features a subtle, ergonomic shape.
